

**ISAAC** (20s)

*Isaac has been raised to carry on his father's work, which involves lots of killing. He also has a crush on Betsy.*

***Betsy awakes to a surprise in her kitchen:***

Putting the remainder of the bacon on the plate nearest him --

ISAAC  
I'm not here to hurt you.

BETSY  
Whe-where's Marissa.

ISAAC  
Come on, Betsy, sit. Food's getting cold.

With an I-wish-I-didn't-have-to-do-this sigh --

ISAAC  
Marissa lives at 810 Jefferson. Your mother lives at 217 Pine Ridge. Your aunt and uncle at 9249 West Parkway. Are you going to sit and visit with me or should I find some other way to while away the evening?

Betsy stares at him.

The alternatives sinking in, Betsy eases toward the table.

ISAAC  
Good, that's much better.

ISAAC  
Why are you acting this way?

BETSY  
Wha-what?

ISAAC  
Why are you being so hostile? I thought we had a connection.

**Here, Isaac has a little conversation with Jeff before, well, it is a horror movie:**

ISAAC

Someone as pretty and sweet as she is,  
you should have done everything you  
could for her, but you just threw her  
away.

Through his whimpering --

JEFF

Be-Betsy? You're talking about--

Another slice.

ISAAC

You don't think I'm here because of  
this slut, do you? Of course, if you  
had been good to Betsy, I would still  
have to kill you.
