

**JOSEPH COOK** (40s)

*A small but extremely important role as memories of him cast a shadow over Betsy's life. Besides the dialogue below, he also appears as hallucinations and as a corpse.*

***Just a casual conversation with his son:***

JOSEPH

Any thoughts on the next one?

ISAAC

JOSEPH

ISAAC

JOSEPH

***Leads into his killing of Alex:***

His eyes open and he looks down at Alex --

COOK

***Sinister, the cause of many a nightmare for Betsy:***

COOK

You're next.
